Notes about Teams

Parents interested in captaining teams must contact the MTA one month prior to the start of the season (**by 4/15**)
 Captains are organizers – calling to remind of match times/locations, doing the lineups, etc. It helps to understand basic tennis rules and scoring, but they need not be tennis coaches. JTT players all have basic tennis skills – it is NOT an instructional program. Teams can't play without parent/adult captains – please help make this happen for your child!

QuickStart 8-under teams need 4 total players – teams are co-ed and play singles only.

All other teams need 3 boys and 3 girls (minimum) – 5 of each (maximum) – singles, doubles, and mixed doubles
