

How do I register to play JTT?

First:

You will need your USTA membership number and a major credit card. You may print this page of instructions for easy reference. You have two options: [register by mail](#) or online at www.usta.com (instructions below).

1. Click on the “Click Here to Register” caption below the picture on the JTT home page.

Note: USTA Membership must be valid through August 31, 2010 to advance to state championships.

2. Once the JTT page opens, look to the right side of the page and choose “Register for a Team”.
3. Enter your child’s USTA number.
4. Enter the appropriate Team number, using these choices:

Please note – age is as of August 31, 2010.

7034124399 ... 6 - 8 year olds (QuickStart)
7034124400 ... 9 or 10 year olds (QuickStart)
7034124401 ... 11 or 12 year olds (regular JTT)
7034124402 ... 13 or 14 year olds (regular JTT)
7034124403 ... 15 – 18 year olds (regular JTT)

We will sort everyone into individual teams after registration closes on May 5, 2010.

5. Choose a shirt size for your child – PLEASE refer to the sizing chart for appropriate sizes. If you must exchange, you are responsible for shipping costs (both ways).
6. Proceed to checkout and enter your credit card information. Print the receipt for your records.

Second:

Please send a short email to the [JTT Coordinator](#) telling me any particulars about your child. For example: tournament experience, brand new player, taking lessons for 6 months, played JTT in another city, would like to “play up” in an older age group for more challenging matches, etc. All of these things will help me place your child(ren) appropriately.

Third:

If you are willing to CAPTAIN your child’s team, you may give me the names of players you would like on your team, in addition to your child. Other requests to place friends on the same team may not be possible.
